of OCI has requested that his office be permitted to select two professional trainees for assignment to the program. This request has been denied for the present by D/TR. A summary of the sixteen-week half-time course to be offered tober is being prepared for distribution to interested offices. 25X1A1d

- 3. 52-18, Training for New Personnel. Adaption of the Basic Intelligence Course to twelve-week operation is being studied.
- 25X1A 4. Project 52-19, Revision of CIA Regulation Re-draft completed and will be used as a basis for discussion with the staff prior to submittal to the DD/TR(G) for approval.
 - 5. Project 52-22, Chinese Language Project. Action withheld pending completion of FDD evaluation of available materials.
 - 6. Project 52-30, Seminar on International Labor Relations. The statement of the objectives and requirements for the proposed seminar and an estimate of the number of personnel who would participate in it, have not been received as yet. The OPC project officer for the proposed seminar has advised us that replies to his request for requirements from the operating divisions and numbers of personnel who would attend have not been received in his office. Further planning on this project is in suspense pending receipt of office requirements and number of personnel who will participate in the seminar.
 - 7. Project 52-33, Space for O/TR Expansion. There has been one brief conference called by Chief, Support Staff, and attended by himself, two members of his staff and one from S/PP; further conference was projected. S/PP has prepared and is coordinating a recommendation to DD/TR(G) for meeting major TR(G) space problems. S/PP has cooperated with the Support Staff (Chief, Administrative Office and Chief, Supplies and Services) in planning temporary facilities for all O/TR personnel now in Quarters I, Wing D, which O/TR is being obliged to evacuate promptly.
 - 8. Project 52-35, TR(G) Bulletin. Drafts of three sections of bulletin completed this week. Will be coordinated with appropriate Division Chiefs.
 - 9. Project 52-37, Collection and Source Exploitation Manual. All pertinent material (about 50 items of widely varied origin and size) in the O/TR library has been examined. O/TR library has been requested to obtain from O/CD as many of certain additional publications as it has. Through External Training Officer/Military, the Strategic Intelligence School, Department of the Army, was visited and some highly useful material was obtained. Development of scope and terms of reference for manual is in process.
 - 10. Project 52-36, Language Reference Materials. A separate memo to the DD/TR(G) was prepared on this subject following the meeting held by the AD/IC on 11 August. S/PP will coordinate with FDD in meeting further required action.
